

PITMA

Probation IT Managers Association
of California

Annual Conference Tuesday May 7-10, 2019

PITMA Members and Attendees

PITMA welcomes all County IT, Probation officers or Administrators that have a role in solving Probation Automation needs. The agenda is centered around innovation and how to solve business challenges with technology, but does not require deep technical knowledge to gain benefit. Please look for the PITMA Board Nomination and conference agenda coming out soon.

Partners and Vendors

The annual PITMA conference is an opportunity for vendors to meet and network with the IT personnel that represent the 59 Probation departments across the State of California. From the mobilization of the workforce to case management needs, the field of Probation is increasingly embracing technology to increase our efficiency and capacity to provide our vital services. The PITMA conference provides not only an opportunity for you to inform us of your products, but also for you to hear from our association about where the industry is headed and what our development and partnership needs are.

Vendors, please contact PITMA VP Eric McLoughlin to express your interest in participating in the upcoming conference. ericm@stancounty.com
